Fenton Finders of Greater Kansas City

The meeting of the Fenton Finders of Greater Kansas City will be held on June 8, 2002 at the Raytown City Hall, 10000 E. 59th, Raytown, Missouri. The meeting will start at 7:00 p.m.

The program will be on Charleton pattern pieces. Also, we will be taking a count of members who would like to purchase the Charleton Book coming out this summer, so we can get our order in. Don't forget to bring in your "Show and Tell".

You need to turn in your list to Janet Wilke, of pieces that you would like to put in the auction. The limit on them is 10 pieces per member. These must be turned in by the end of meeting, so she can get the list typed and numbers assigned. Remember to be very descriptive of each piece. The more information you give, the more likely it will sell higher.

The list for the big display of Fenton, First 25 years of glass, must be given to Richard by the July, 2002 meeting.

Jackie Oglesby is keeping a scrapbook of the club. If you have any items that you would like to share, please give them to her.

Just a reminder, room reservations need to be made as soon as possible. You need to ask for a non smoking room at the time you make your reservation. If you have already made your reservation, you need to check to make sure it is non smoking, if that is what you desire.

We need volunteers to work at the Gala. We also need to know if you are going to have a table display. This will indeed be an informative meeting and we will look forward to seeing all your smiling faces. We have new members we would like you to welcome. They are Paul & Karen Johnson, and Dave Daniel and Dora McNail. Also, the Email address on Bernie & Susan Johnston should be rbj052@msm.com. And I think I sneezed when I typed Charles Mochel's name. Sorry Charlie!
