

FENTON FINDERS OF GREATER KANSAS CITY

The meeting of the Fenton Finders of Greater Kansas City will be held on September 13, 2003 at the Raytown City Hall, 10000 E. 59th, Raytown, Missouri. The meeting will start at 7:00 p.m.

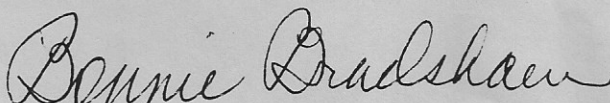

Our program will be a presentation on collectibles insurance. We all need to know how to best protect our collections.

Be sure and bring in "Show and Tell" items. I'm sure it will be a nice showing since this will be the first meeting since the National Convention and everyone will want to show what they purchased on the way to and from the event.

Our plum vases will be available for pick up and additional purchases can be made if needed or desired. They are reportedly very beautiful.

We will present the final Gala information. We will discuss work schedules, auction glass instructions, the 1940's hobnail glass display instructions and agenda's will be available.

This meeting will be an important one to attend. Getting all the final touches made for the Gala and picking up the items you have purchased. It will be a pleasure to see all your smiling faces, since most of us have not seen each other since the July meeting. So glad that the weather is finally cooperating by cooling down. Be careful and see you next Saturday.
